duck-billed platypus

a ucsb composers' concert

February 25, 2010

Lotte Lehman Concert Hall

8:30pm

Program Notes:

(ten stories) by Eliot Burk is a song cycle with text from Facebook status updates (text below).

Shawn M. Hatjes Even though you know that people talk about you behind your back, it still hurts when you find out what they have been saying. I mean, really? Just say it to my face.

Mirabai Troll A girl at the bus stop prefaced her statement with, "this is going to be awkward," startled from my anxiety about the late 232, I stared and she continued, " but your face is really beautiful." and then it was awkward. I considered saying, i like your piercing, shoes, hair, yet said nothing except, " thank you." then the bus came.
